- The management reserves the right to change your allocated pitch should it be deemed necessary.
- Please park your caravan adjacent to your pitch number and end-on to the access road, NOT broadside-on, as we are limited for space and can only accommodate 25 tourers.
- Please display the coloured Parking Tag issued at Reception either on the draw bars or grab handle facing the road. By doing this you will not be bothered by our staff when they come round to do checks.
- When vacating your pitch, please ensure that you collect all your possessions and that no litter is left.
- Departures must be made before 11.00am unless a later time is agreed with Reception, for which an additional charge may be made depending on the time of year or how busy it is.
- The Toilet/Shower block is for tourer use only. There is an Elsan disposal point located in the touring field
- Gas cylinder refills are available to purchase at Reception during Office hours.
- Please note that NO CLOTHES LINES ARE PERMITTED AT ANY TIME nor must washing be hung over awning guy lines or fences. Clip-on drying racks are quite acceptable. Launderette facilities are provided for your convenience.
